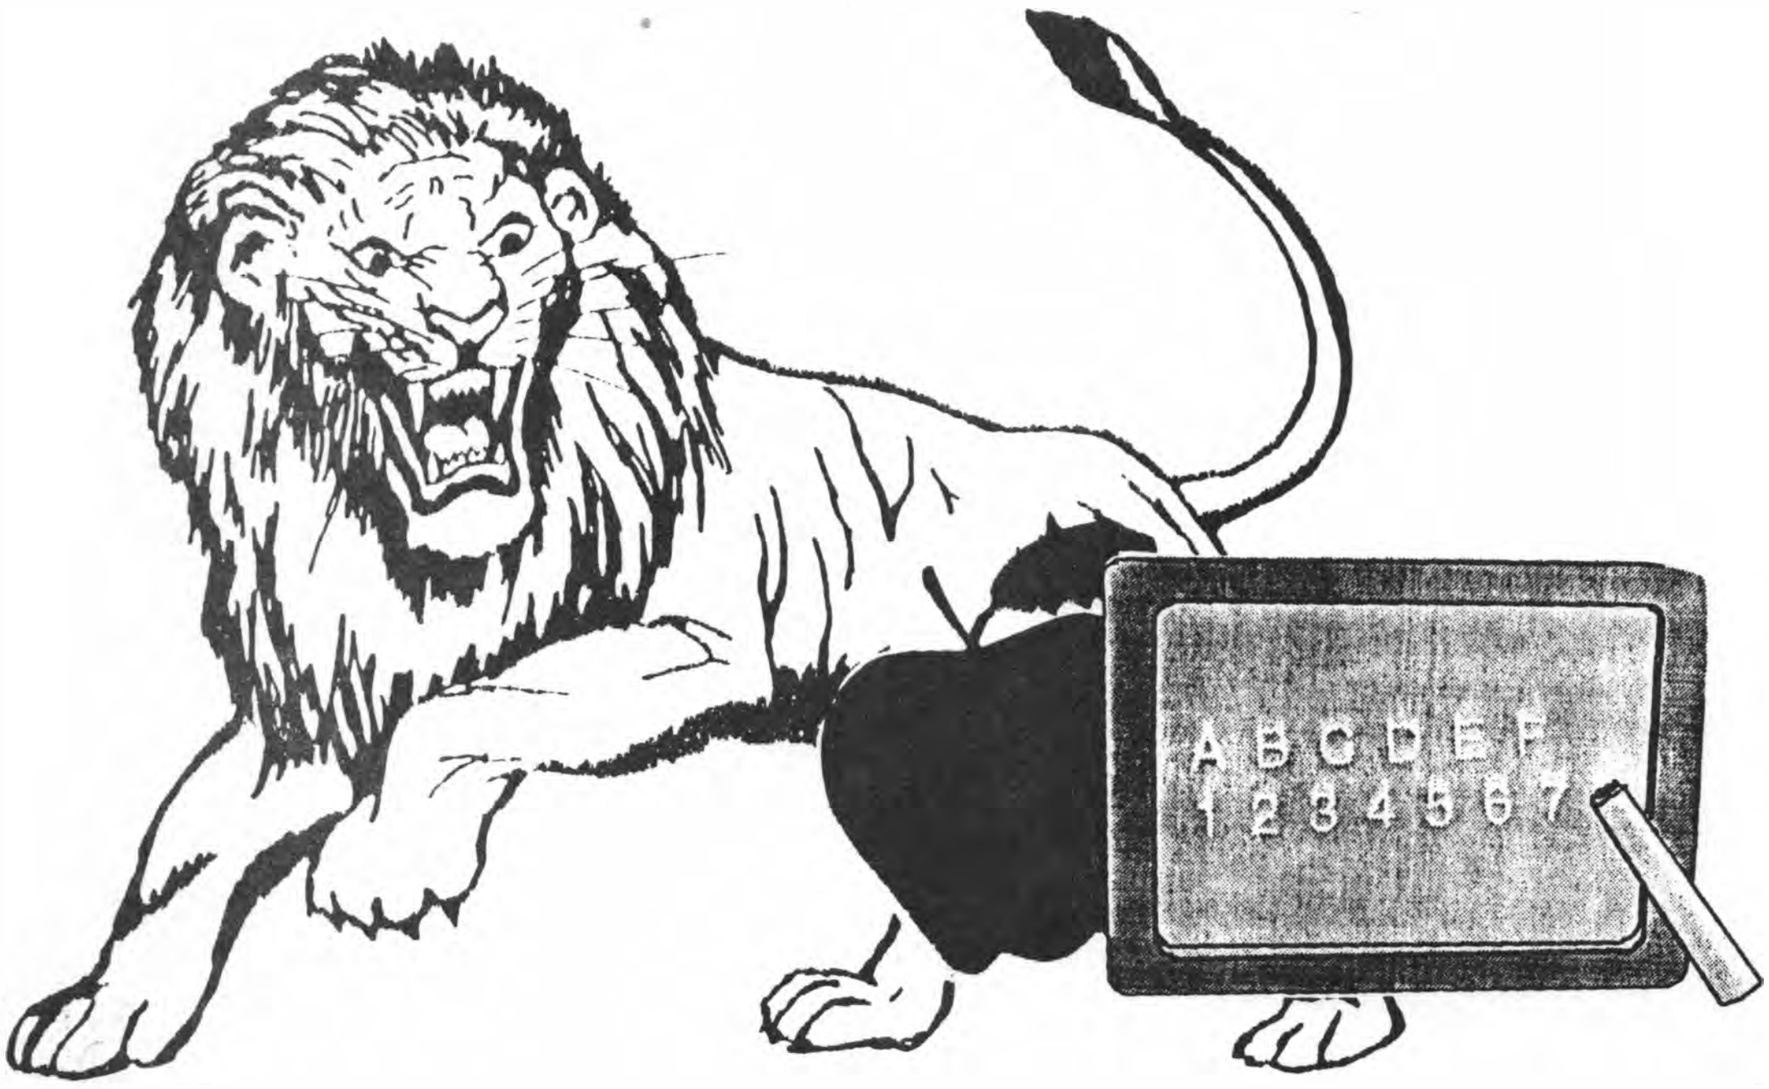
CYCE ACC SCHOOC REUNION



June 30. July 1 . July 2. 1995

http://lyle.mn

Dear Alumni,

With your receiving this book another All School Reunion comes to a successful close.Many of our community members helped make this event even more successful than in 1990.We could never have had the success we did without the help of our local service organizations and their many members.We will never be able to thank all of the people involved in the weekend activities,but please know that your help was greatly appreciated.

We were all overwhelmed by the turnout!For many of the people attending it was their first visit back to Cyle since their graduation.Our community members enjoyed visiting with all of the Alumni as they walked through the streets of Cyle.

We were fortunate to have at least 2 members from each graduating class help with the planning.Through their help we were able to reach more Alumni than in the past.

We hope everyone attending enjoyed all of the activities as much as we did.

We have included not only the pictures of the classes but also pictures of the school as it is today.We hope you will enjoy your book.

We look forward to visiting with you the next time you visit our community.

2nd Floor

The picture above was taken facing south.The room at the end of the hallway added as an office.Many Alumni will remember that area as an exit out of the original school building.There were stairs on the left side of the picture that also led down to the 1st floor Boiler Room area

The picture below shows one of the classrooms on 2nd floor.

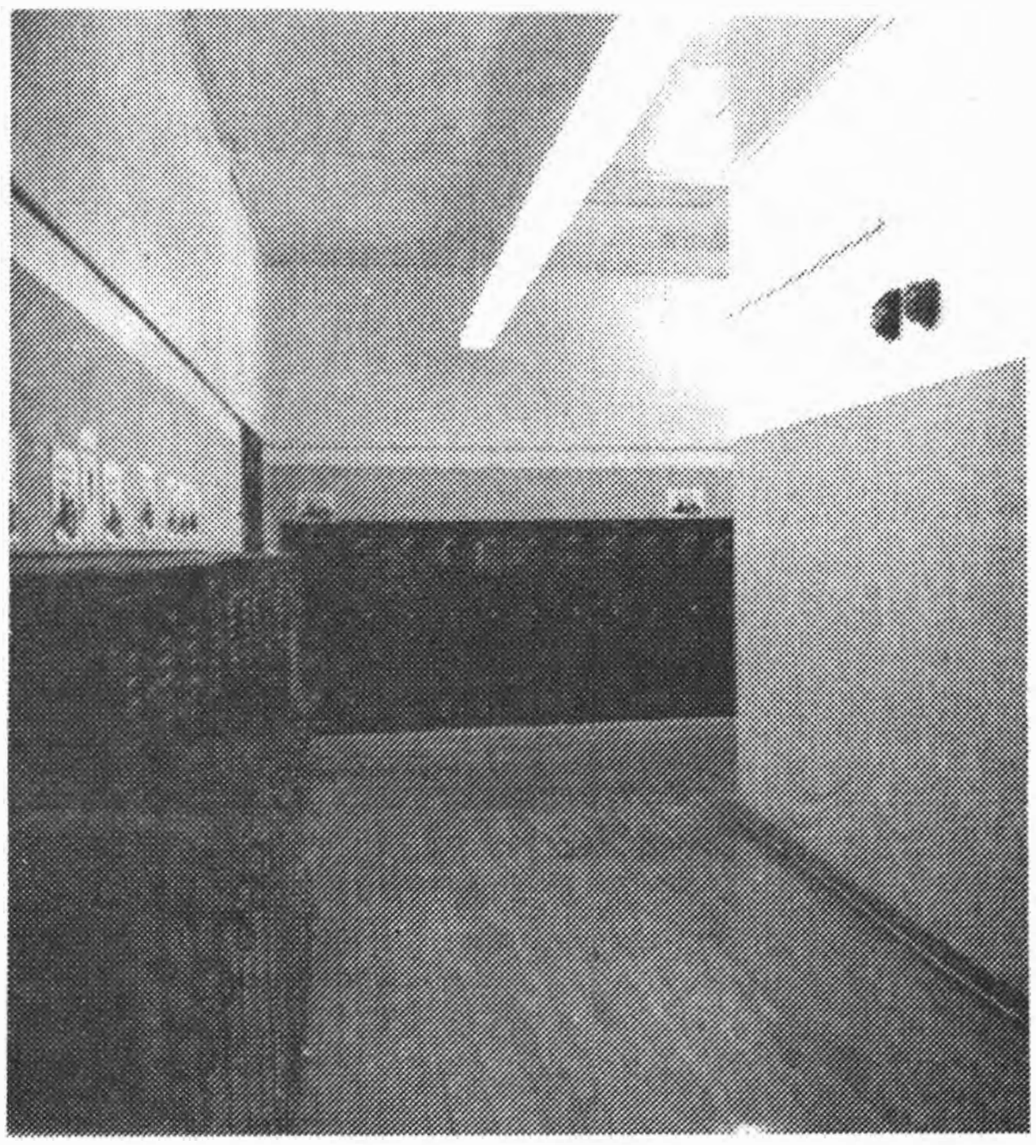
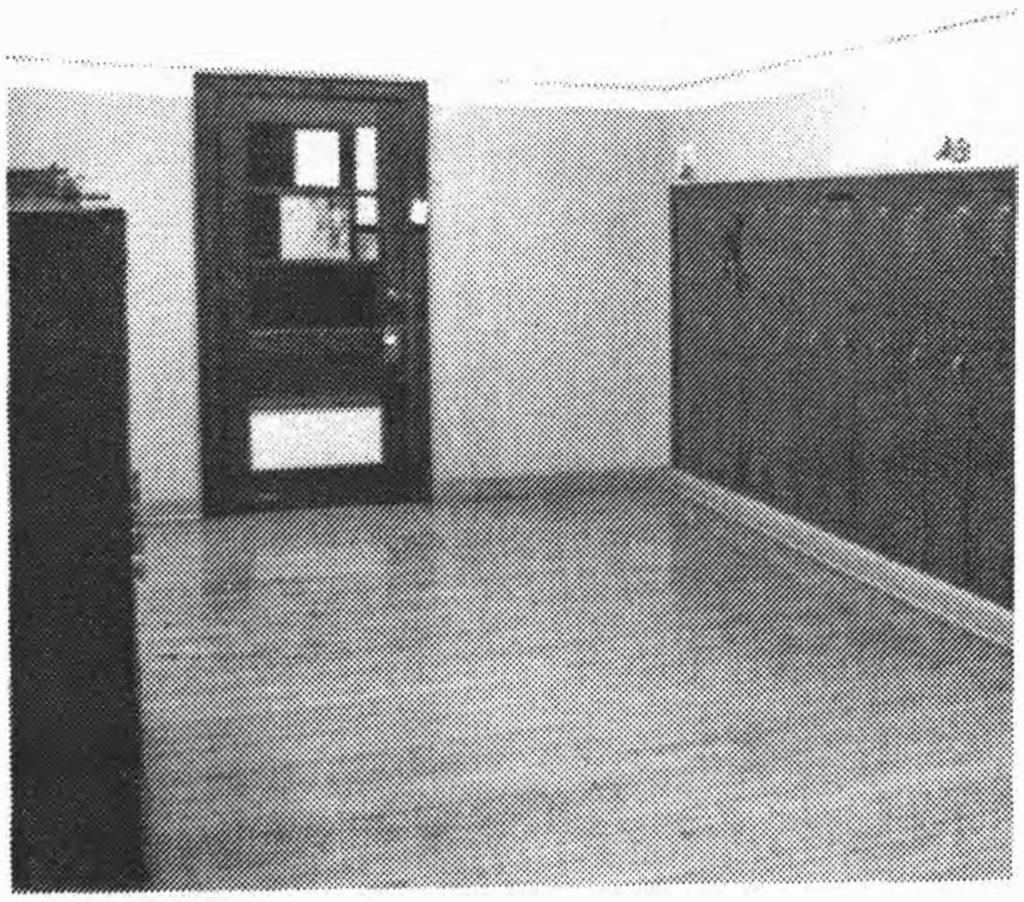
3rd Floor





The picture above was taken on the North end of 3rd floor.The Library door is on the left side of the picture.The 2nd picture shows the Library area. The bottom picture was taken facing the South. The room at the end of the hall is presently the Annual Room.For many of the Alumni the room was the Principal's Office.Many will remember the Principal standing in the office watching the students in the hall when the bell rang for class changes.
